### "The Date"

She waits for a date  
And yet she knows that he's not coming  
He waits for the date  
And yet he knows that he's not coming  
I hope that it's not the break-up  
And I hope that it's just the break  
I hope that it's not the break-up  
And I hope that it's just the break  
She waits for a date  
And yet she knows that he's not coming  
He waits for the date  
And yet he knows that he's not coming  
She waits for a date  
And yet she knows that he's not coming  
I hope that it's not the break-up  
And I hope that it's just the break  
I hope that it's not the break-up  
And I hope that it's just the break  
I hope that it's not the break-up  
And I hope that it's just the break  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you
