Rumour spreadin' round that Cincinnati town
'Bout how's that house going down
And you know what I'm talkin' about.
Just letting you know if you wanna go
To that home down squaller's road
They gotta lotta nice girls there

A how, how, how, how
A how, how, how

Well, you have to stop if you got the time
And the chance to get yourself in
Oh I'm on the staff almost every night
But now I might be mistaken
Oh, oh
Look out
Oh yea
Texas boys can stay at home
Cincinnati blues here
All right
I'm going to Cincinnati so let it out
