I look in mirrors  
I look in your eyes  
I'm looking for answers  
I still don't understand

Why is it every time I see you, I can't help myself  
There is something inside me that draws my stares on  
you  
I know you don't care for me but I won't face the truth  
An impulse, instinct, reaction to what you think

And your life's an instant  
Like what you just thought  
No matter what you say  
But it's too late to stop

Human behavior [x4]

An impulse, instinct, reaction behavior  
An impulse, instinct, reaction behavior  
An impulse, instinct, reaction behavior  
Behavior [x5]  
Behave yourself
