Something awful is coming here  
I've seen it read  
I've seen it read

Staring blankly into it  
I'm still awake  
I'm still awake

Sleep walking  
Why can't we  
Keep talking  
Forget me

My eyes are heavy  
my brains on fire  
destroying me  
destroying me

The sun is rising  
another day  
I'm still awake  
I'm still awake

Sleep walking  
Why can't we  
Keep talking  
Forget me

Sleep walking  
Why can't we  
Keep talking  
Forget me

Sleep walking  
Why can't we  
Keep talking  
Forget me
