Whatever

Infinity

Go.

Space out

Ceiling's flipping into a chess board

Trace down

Toss and turn all night with the glow

Make out

Faces in the empty sky out at night

Nevermind

Cause you'll never live to see the year 40,000 man

3.14159234

Fucking forgot it

Infinity

Go.

Nevermind

The bollocks or the Sex Pistols

Goin' blind

No that's just your eyelid

Take some more

Get into your inner statue

Call in store

Order a ton of shit

3.14

Whatever

Infinity

Go.

Whatever

Infinity

Go.

Space between the eyeball and eyelid (x3)

The universe
