[Cover]

I fall to pieces each time i see you again i fall to pieces
how can i be just your friend you want me to act like
we've never kissed you want me to forget pretend me
never met and i've tried and i've tried but i haven't yet
you walk by and i fall to pieces i fall to pieces each time
some one speaks your name i fall to pieces each time
someone speaks your name you tell me to find
someone else to love some one who'll love me too the
way you use to do but each time i go out with someone
new you walk by and i fall to pieces you walk by and i
fall to pieces
