Red red  
Green machine go  
Red red  
Green machine go

Give the signal to blast off  
See it change to a tint  
And that's the sign to hit it  
Blow this motherfucker off the hinges bitch

Red red  
Green machine go  
Red red  
Green machine go  
Go go go  
Go go go  
Go go go  
Go

See the lime pattern  
Snap out of the maroon  
It's univereal  
The action is ready to bring some certain doom

Red red  
Green machine go  
Red red  
Green machine go  
Go go go  
Go go go  
Go go go  
Go

Seizure inducer  
Fuck the sonic reducer  
Open your eyes  
Do you want to be blind  
Do you want to be blind  
Well fuckin' open your eyes  
The black mass producer  
Seizure inducer  
Mental diluter

Masked intruder  
Brain polluter  
Awesome alluder

Red red  
Green machine go  
Red red  
Green machine go  
Green  
Green  
Green machine go
