Too far gone and now into it  
Kicked up tries to hige ilegitimate  
They've been crawling for too long  
Lost forever nerves are gone.

[Chorus]

These are the breaks please wash your hands  
A comic language youc an't understand.[x2]

Too far gone and now into it  
Kicked up tries to hige ilegitimate  
They've been crawling for too long  
Lost forever nerves are gone.

[Chorus x2]

Last chance to show your face  
Just one above a life behind  
If its's the last ine in the place  
Lost to a world you'll never find.[x2]
