Better for what you make.
Only sad when you fake.
Don't keep yourself in check.
Don't die a nervous wreck.

Tell them before the end.
Tightrope watchig it bend.
Live it, or it lives you.
Only if you die without nothing to do.

My face is red.
And my temperature's rising.
A tightrope around my neck.
And I can't breathe.

Tightrope.
So tight that I can't breathe

Do you want to know how I'm doing.
I'm doing alright.
Do you want to know who I'm screwing....
Who I'm screwing tonight.
