I'm just trying to get by
I'm just buzzin' on a suger high

Yeah...Everybody moves so fast, no time to wonder why
Yeah...I'm just tryin' to get by

Is it all in my head?
Is it all in my head?
Could everything be so right without me knowin'?

I'm just workin' for the Man
I'm Just tryin' to lend a hand

Yeah...And If I had a rocket ship, I'd never wanna land
Yeah...I'm just doin' the best I can

Is it all in my head?
Is it all in my head?
Could everything be so right without me knowin'?

Is it all just some game, where everything stays the
same?
Is it all in my, all in my, all in my head?

Everybody needs a little love, to make it all work out
But I'm still lookin' to the stars above...Hey! Hey! Hey!

It's all in my head
It's all in my head
It's all in my, all in my, all in my, all in my head

Is it all in my head?
Is it all in my head?
Could everything be so right without me knowin'?

Is it all just some game, where everything stays the
same?
Is it all in my, all in my, all in my, all in my head?
