J.D: We'll be...

Friends forever! We're gonna be friends forever!

We will always be true-oooh-oooh!

Friends forever! We're gonna be friends forever!

I'll always be there for you!

We're as close as..

Turk: The vena cava and the aorta!

J.D: We're best friends just like..

Elliot: Amoxicillin and clavulanic acid!

Dr. Kelso: The tibia, the fibula! The left and right
ventricle!

Elliot: A hypodermic needle and a latex tourniquet!

All: Diverticulitis and a barium enema!

Dr. Kelso: The vena cava and the aorta!

Elliot: Amoxicillin and clavulanic acid!

All: (We'll be friends forever!)

Dr. Kelso: The tibia, the fibula! The left and right
ventricle!

Elliot: A hypodermic needle and a latex tourniquet!

All: (We'll be friends forever!)

Dr. Kelso: The vena cava and the aorta!

Elliot: Amoxicillin and clavulanic acid!

All: (We'll be friends forever!)
