JD: Let's face the facts about me and you, our love  
unspecified  
Though I'm proud to call you "chocolate bear"  
The crowd will always talk and stare.

Turk: I feel exactly those feelings too  
And that's why I keep them inside  
'cause this bear, can't bare the world disdain  
And sometimes is easier to hide.

JD & Turk: Than explain our guy love, that's all it is  
Guy love he's mine I'm his  
There's nothing gay about it in our eyes.

Turk: You ask me 'bout this thing we share...

JD: ...and he tenderly replies.

Turk: It's guy love...

JD & Turk: ...between two guys.

Turk: We're closer than the average man and wife.

JD: That's why our matching bracelets say Turk and J.D.

Turk: You know I'll stick by you for the rest of my life...

JD: You're the only man who's ever been inside of me!

Turk: Whoa whoa! I just took out his appendix.

JD: There's no need, to clarify...

Turk: Oh no?

JD: Just let it grow more and more each day.  
It's like I've married my best friend...

Turk: But in a totally manly way!

JD & Turk: Let's go!

It's guy love, don't compromise,  
The feeling of some other guy.  
Holding up your heart into the sky.

JD: I'll be there to care through all the lows.

Turk: I'll be there to share the highs.

JD & Turk: It's guy love, between two guys.

JD: And when I say, "I love you, Turk,"  
It's not what it implies.

JD & Turk: It's guy love  
Between...  
Two...  
Guys.

JD: No hands.
