Out the door just in time  
Head down the 405  
Gotta meet the new boss by eight am

The phone rings in the car  
The wife is working hard  
She's running late tonight again

Well, I know what I've been told  
You've got to work to feed the soul  
But I can't do this all on my own  
No, I know  
I'm no Superman  
I'm no Superman

And you've got your love online  
And you think you're doing fine  
But you're just plugged into the wall

And that deck of Tarot cards  
Won't get you very far  
There ain't no hand to break your fall

Well, I know what I've been told  
You've got to know just when to fold  
But I can't do this all on my own  
No, I know  
I'm no Superman  
I'm no Superman  
(that's right)

You've crossed the finish line  
Won the race but lost your mind  
Was it worth it, after all

I need you here with me  
Cause love is all we need  
Just take a hold of the hand that breaks the fall

Well I know what I've been told  
You've to break free to break the mold  
But I can't do this all on my own

No, I can't do this all on my own  
I know, that I'm no  
Superman  
I'm no Superman  
I'm no Superman

Someday we'll be together  
I'm no Superman  
Someday  
Someday we'll be together  
Someday  
I'm no Superman
