Hello world, here's a song that we're singin'
C'mon get happy
A whole lotta lovin' is what we'll be bringin'
We'll make you happy

We had a dream we'd go travelin' together
We'd spread a little lovin' then we'd keep movin' on
Somethin' always happens whenever we're together
We get a happy feelin' when we're singin' a song

Travelin' along there's a song that we're singin'
C'mon get happy
A whole lotta lovin' is what we'll be bringin'
We'll make you happy

We had a dream we'd go travelin' together
We'd spread a little lovin' then we'd keep movin' on
Somethin' always happens whenever we're together
We get a happy feelin' when we're singin' a song

Hello world, here's a song that we're singin'
C'mon get happy
A whole lotta lovin' is what we'll be bringin'
We'll make you happy, we'll make you happy
We'll make you happy
