Do you believe in magic?
In a young girls heart
How the music can free her
Whenever it starts, till it's magic

Do you believe in magic?
In a young girls heart
How the music can free her
Whenever it starts

And it's magic
If the music is groovy
It make you feel happy
Like an old time movie

I'll tell you about the magic
It'll free your soul
But it's like trying to tell a stranger
'Bout rock and roll

If you believe in magic
Don't bother to choose
If it's just band music
Or rhythm and blues

Just go listen
It'll start with a smile
It won't wipe off your face
No matter how hard you try

Your feet start tapping
And you can't seem to find
How you got there
So just blow your mind

If you believe in magic
Come along with me
We'll dance until morning
Till just you and me

And maybe
If the music is right

I'll meet you tomorrow
So late at night

And we'll go dancin' baby
Then you'll see
How the magic's in the music
And the music's in me

Do you believe in magic?
(Magic)
If you believe in the magic
(Magic)

Believe in the magic of a young girl's soul
Believe in the magic of a rock and roll
Believe in the magic that can set you free
Won't you come with me?

Do you believe like I believe?
(Don't you believe, believe?)
Do you believe like I believe?
(Don't you believe, believe?)

Do you believe like I believe?
(Won't you come with me)
Do you believe like I believe?
(Yes, I believe, believe)

Do you believe like I believe?
(Do you believe, believe?)
Do you believe like I believe?
(Won't you come with me)
Do you believe like I believe?
(Do you believe, believe?)

Do you believe like I believe?
(Won't you come with me)
Do you believe like I believe?
(Yes, I believe, believe)
Do you believe like I believe?
