R. Higgenbotham

Put on your hi-heel sneakers 'cause we're goin' out
tonight

Put on your hi-heel sneakers cause we're goin' out
tonight

Better wear your boxing gloves

In case some fool might want to fight

Put on your red dress baby put that wig hat on your
head

Put on your red dress baby put that wig hat on your
head

Better bring your body guard

I'm pretty sure you're gonna knock 'em dead

Put on your neon jacket 'cause we're goin' out to cruise

Put on your neon jacket 'cause we're goin' out to cruise

I saw Spike Lee on the TV he said "Money, it's the
shoes!"
