(The Partridge Family)

It's one of those nights  
When you turn out the lights  
And you sit in the dark  
And say to yourself  
"I miss her"

It's one of those moods  
When your body broods  
And you conjure up her picture  
And you kiss her

It's one of those things  
For the pain it brings  
You say to yourself  
"Hey couldn't I live without it?"  
Well I think so  
On the other hand,  
I doubt it

Suddenly she's crashing through my mind  
Like waves upon the shore  
And I nod my head whoa yes love  
I'd welcome you again  
If you knocked upon my door  
If you didn't I'd seek you out love  
I'd track you down for sure  
Like a thousand times before  
Whoa yes love  
I'd welcome you again  
Like you know I've done before

Yes love  
You know I did before  
Yes love  
You know I did before

So it goes  
It's a cold in your nose  
It's a pain in the neck  
It'll make you a wreck

If it gets ya

It's so insane  
Cuz for all the rain  
When you ask yourself  
"Could you do it again"  
You betcha

I hear a voice say  
"You got no chance"  
And it makes me mad  
And I shout  
"Oh yeah who says so?"  
Well of course not  
On the other hand,  
I think so

Suddenly she's crashing through my mind  
Like waves upon the shore  
And I nod my head whoa yes love  
I'd welcome you again  
If you knocked upon my door  
If you didn't I'd seek you out love  
I'd track you down for sure  
Like a thousand times before  
Whoa yes love  
I'd welcome you again  
Like you know I did before

Yes love  
You know I did before  
Yes love  
You know I did before  
Yes love  
You know I did before
