Every night a different town, I sing my song  
I play and sing, then pack my things and move along  
A pretty face, another face I never get to know  
A one night stand, another show

My guitar, a railroad car, a bus again  
A chocolate bar, and there you are, the price of fame  
If I could do what I want to, IÂ'd stay and never go  
A one night stand is all I know

I wish that I could be two people  
Instead of being on my own  
I wish that I could be two people  
And then IÂ'd never be alone

Photographs of where IÂ've been and all IÂ've done  
In this whole world is there a girl, no not one  
Goodbye, hello, IÂ've got to go, I hope youÂ'll  
understand  
A one night man is all I am  
A one night stand, a one night man

Goodbye, hello, IÂ've got to go, I hope youÂ'll  
understand  
A one night man is all I am  
A one night stand, a one night man
