Last night I said these words to my girl  
I know you never even try girl  
Come on, come on, come on, come on  
Come on, come on, come on, come on  
Please, please me, oh yeh, like I please you

You don't need me to show the way, love  
Why do I always have to say, love  
Come on, come on, come on, come on  
Come on, come on, come on, come on  
Please, please me, oh yeh, like I please you

I don't want to sound complaining  
But you know there's always pain in my heart  
I do all the pleasing with you it's so hard to reason  
With you, oh yeh, why do you make me blue

Last night I said these words to my girl  
I know you never even try girl  
Come on, come on, come on, come on  
Come on, come on, come on, come on  
Please, please me, oh yeh, like I please you  
Oh yeh, like I please you  
Oh yeh, like I please you
