D. Cassidy/S. Shifrin

You used to say you love me so
But lately girl I just don't know
Lying here in so much doubt
You don't come home all night
What's that about?
Your friends provide your alibis
Swear up and down but I don't buy it
Have you been out doing me wrong
I gotta know what's been going on

Chorus:

Tell me true girl
Tell me true
Is your love as strong as mine
Tell me true now
Tell me true
I gotta know, have you been lying
Tell me true

You say you're not the cheating kind
That it's just me and my suspicious mind
But something way down deep inside
Keep giving me the feeling that you lied
Ain't got no proof, no evidence
But your excuses don't make no sense
I know you like I know myself
And something tells me there's someone else

Chorus:

Tell me true girl
Tell me true
Is your love as strong as mine
Tell me true now
Tell me true
I gotta know, have you been lying
Tell me true

I heard that you been going round
Dragging my good name all over town

Chorus:
Tell me true girl
Tell me true
Is your love as strong as mine
Tell me true now
Tell me true
I gotta know, have you been lyin
Tell me true
