

## Scythe "Wintermoon"

Visit "[Wintermoon](#)" on [MotoLyrics.com](https://www.motolyrics.com)

One day while arising from the mountains of frost  
You will see the vanished sun and soon  
And soon you will find the answer  
You will find it in the wintermoon

On from the fog through the forest  
With the glaring frost in your neck  
Through the times after black winterclouds  
On the way ... back...

One day while returning from the botton of life  
And you'll see the sun again  
The tune that's following the spirit of night  
As I see my one again

I'm back with the remains of a glorious time  
And keep on walkin' through the coldness  
Keep on walkin' through the coldness  
Keep on walkin'...
