Wake me up
When it's over
Cause I cannot
Handle the sound
Leave me here
For a while
Here I am
Down on the ground

So take these words
And string them on strings
Across the ceiling
(The ceiling)
Cause I cannot
Handle the sound

Lacerated
Thousand pieces
One by one
Where are you
Complicated
Conversations
One by one
Where are you

As you stand
By the doorway
And you reach
To open the blinds
I will beg, for more time
I have been drinking all night

So take these words
And string them on strings
Across the ceiling
(The ceiling)
Cause I cannot
Handle the sound

Lacerated
Thousand pieces
One by one

Where are you
Complicated
Conversations
One by one
Where are you

I...
I...
I...
I, can't handle the sound

Lacerated
Thousand pieces
One by one
Where are you
Complicated
Conversations
One by one
Where are you
