This new skin needs breaking in
It doesn't seem to fit
Take a second to adjust
I know you'll get use to it
I'm the same though it
Appears I've changed
Not much of the influence
I am mad I'm so upset
I'm so, sick of it

I am shedding my skin
I won't give in
I won't let you win
I am not who I was
And I won't go back
I wasn't happy like that

As you stare and discriminate
You don't take the time
Cause you can't relate
& you judge me by
My clothes and hair
Piercings and tattoos
That you'd never wear
Oh you think your so perfect
You've done no wrong
It's people like you who
Inspire this song
And you won't ever quit
You won't drop it
I'm so, sick of it

I am shedding my skin
I won't give in
I won't let you win
I am not who I was
And I won't go back
I wasn't happy like that

Well I am losing
Losing control
Feeling you

Pushing me back
From who I was
To who I've become
Where we're you
To pull me through
I don't need your respect
Your acceptance
I have changed
I don't need the neglect
You to accept
I have changed

I am shedding my skin
I won't give in
I won't let you win
I am not who I was
And I won't go back
I wasn't happy like that

I was not
I was not happy
