Like This, Like That

Music got the (.....), play with the track up.
Step back with the music in the time that matters, this
track will make you high more than marijuana.
Rinse out the hit with a static motion, mix up the bass
line like a potion.
If you think you got it, let me hear ya. Shake up ya
booty, all the men will fear ya!
Come by Caribbean with da German, dash in a little of
the Turkish motion.
When the DJ plays his **** I tell you, it's not the sound
it's just a rhythm in you.
Know that your brain, let it get in control. Do everyt'ing
that I'm gonna tell you!
And when it's all over then it's start again ya'll, come on
let it shake what your mamma gave ya!

Chorus

Heeeey, I like it like this, I like it like that, I like it like
(come on let it shake what your mamma gave ya!) this
Heeeey, I like it like this, I like it like that, I like it like
(come on let it shake what your mamma gave ya!) this
Aaaaaaaaaaaaaaaaaaaaa (come on let it shake what your
mamma gave ya!)
Aaaaaaaaaaaaaaaaaaaaa (come on let it shake what your
mamma gave ya!)

If's a music that you love then let me know, contender
does a hula, gets on the floor.
Show me some **** I aint seen before
