Kristina is standing dead still  
Her eyes are out the window  
She's on the lawn behind that old house  
Where no one ever goes  
And one day she will be gone  
and one day I will be too

Give me a push and watch me fall  
If I never learn, then what is it all good for?

Here's me with a big smile, here's me about to crack  
Give me a push and watch me fall  
If I never learn, then what is it all good for?

And I grew 10 years older just over the night  
I was looking for something, here's what I found:  
A heart & a hand & the love for a band  
And the warmth of a girl sleeping by my side,
