And in this video she says:

"I brought down three grown men like it was nothing.  
I was a tiger stronger than anyone"

And, yes, there's something ringing  
and, yes, there's something echoing  
and we hide in the bushes  
rolling apples under cars  
until some idiot stops  
to kick us up to the stars

Mother, is there something I can do  
to get through to you?  
burn your bed and slide away  
Mother, wake up won't you please  
Dan is here now  
with a bucket and a bag  
to carry you

And so I run down five blocks  
and when I finally stop  
to breath, I turn around  
I turn around only to see  
Dan has been caught  
Dan has been caught  
I guess the healing is off

Mother, I've come to get you out  
we're leaving this place now  
but I stumble in the snow  
this sliced up paper snow  
blood in my mouth  
iron clothes  
I can't walk  
where did you go?
