I'm a black thought
hangin' in the air
you're a white cloud
and you are everywhere

It may be winter
in our faces
it may be winter
but I'm leaving a message

There's nothing
nothing
nothing here

And nothing
as in something
disappears, out of sight
but not out of heart

I don't want a surprise
if it isn't any good would you stop it if you could

There are people
people
everywhere
and somewhere
someone
disappears
out of sight
but not out of heart
