I am a shadow  
I am a longing and I'm growing  
I am a silhouette  
I can feel it  
I'm nothing

And I'm living a life  
A sad wreck of a life  
Long to be happy

One day, one day, one day, it'll change  
One day, one day, one dayâ€¦  
One day, one day, it's always the same

I thouth the world was for all  
I took a piece of it  
I wanted to belong  
And they said it was wrong  
They said: "let it be!"  
They said it's not for me  
Well, they can go to hell  
A sweet tasting hell  
I'm not sorryâ€¦

And one day, one day, one day, it'll change  
One day, one day, one dayâ€¦  
One day, one day, it's always the same

And I sat on a bench  
And I looked at the world  
And I felt like a king  
Yeah, I felt like a king  
A king of nothing  
A king of nothing  
But yes, there's reason to breathe  
and there's reason to see  
and there's reason to feel  
and there's reason to live  
And here's a reason:

One day, one day, one day, it'll change

One day, one day, one day!€!  
One day, one day, it's always the same

One day, one day, one day, it'll change  
One day, one day, one day!€!  
One day, one day, it's always the same

One day, one day, one day, it'll change  
One day, one day, one day!€!  
One day, one day, it's always the same
