"So what do you make out of this one?  
A handful of nothing and the day is done  
Join us all in staring into the sun  
You throw yourself in the river for what reason?  
What do you make out of this one?"

Shut your mouth please  
'Cause no one's really listening and I know how it feels  
And I know, I know, I know I'm a little insect here  
But you're an even smaller one my dear  
Stop whatever youre doing  
'Cause I am sufficating here  
I am really aching dear  
I can't breathe and I can't feel  
It must be something poisoning in the air

Oh yeah, oh no

So what do you make out of this one?  
A handful of nothing and the day is done  
Join us all in staring into the sun  
You throw yourself in the river for what reason?  
What do you make out of this one?"

Stop! Stop! Stop! Stop!
