High, high flames and boiling water,
still nobody knew
stare at the ceiling, make way for something
still nobody moves
oh my goodness, oh my god I fear
I fear I'm cracking up

One million feelings
is this for real I ask?
nobody knows
somebody's daughter made me walk on water
don't let me sink
I think I'm stupid
luxury problems, still
it's more than I can take

Crying in the basement, what can I say
but I am so very sorry
who would've thought that it would ever dry
leaving nothing
oh my goodness, oh my dear is this
The End?
