It's Just Another Day  
Still Driftin Away  
I'm Loaded Like A Gun  
Now I'm Waiting For The Sun

I'm Living My Dreams  
I'm Living Them Now  
Never Thought It Could Be  
But I Made It Somehow

Everybody Get Off My Back  
Or I'll Be On The Attack  
You're Always Up In My Face  
You're Nothing But A Fucked Disgrace

Let's All Trust In One  
Still Baked In The Sun  
Can't Control The Lust  
It's Ashes To Dust

I'm Living My Dreams  
I'm Living Them Now  
Never Thought It Could Be  
But I Made It Somehow
