You Should Believe In Me  
I Need You To Make Things Right  
You've Always Been There  
Through My Darkest Nights

I'm So Sorry  
I've Lost My Pride  
I'm So Sorry  
I Feel Cut Up So Cut Up Inside

Fall With Me In Love Again  
I've Got This Burning Need For You  
Baby It's Been Said Before  
This Flame Of Love Can Burn A New

I'm So Sorry  
I've Lost My Pride  
I'm So Sorry  
I Feel Cut Up So Cut Up Inside

I'm Reaching Out Of The Dark  
Towards The Light  
I Wanna Touch You  
I Wanna Taste You  
I Wanna Be With You Tonight

I'm So Sorry  
I've Lost My Pride  
I'm So Sorry  
I Feel Cut Up So Cut Up Inside
