I'm in the business of misery
Let's take it from the top
She's got a body like an hourglass, it's ticking like a clock
It's a matter of time before we all run out
When I thought he was mine, she caught him by the mouth

I waited eight long months
She finally set him free
I told him I couldn't lie he was the only one for me
Two weeks and we caught on fire
She's got it out for me
But I wear the biggest smile

Whoa, I never meant to brag
But I got him where I want him now
Whoa, it was never my intention to brag
Just steal it all away from you now
But God does it feel so good
'Cause I got him where I want him now
And if you could then you know you would
'Cause God, it just feels so,
It just feels so good

Second chances they don't ever matter, people never change
Once a whore you're nothing more, I'm sorry, that'll never change
And about forgiveness, we're both supposed to have exchanged
I'm sorry honey, but I'm passin' up, now look this way
Well, there's a million other girls who do it just like you
Looking as innocent as possible to get to who
They want and what they like it's easy if you do it right
Well, I refuse, I refuse, I refuse

Whoa, I never meant to brag
But I got him where I want him now
Whoa, it was never my intention to brag
Just steal it all away from you now

But God does it feel so good
'Cause I got him where I want him right now
And if you could then you know you would
'Cause God, it just feels so,
It just feels so good

I watched his wildest dreams come true
Not one of them involving you
Just watch my wildest dreams come true
Not one of them involving

Whoa, I never meant to brag,
But I got him where I want him now

Whoa, I never meant to brag
But I got him where I want him now
Whoa, it was never my intention to brag
Just steal it all away from you now
But God does it feel so good
'Cause I got what I wanted now
And if you could then you know you would
'Cause God, it just feels so,
It just feels so good
