I know she's got to see
I can see she's on to me
I can't keep a lie
Not to save my life

Cause Baby I'm in love
Baby I'm in love
Maybe I'm just crazy but
Just maybe I'm in love

Two beats from one body
My heart sings along
Waiting to be daddy
Nine months seems so long

Cause Baby I'm in love
Baby I'm in love
Maybe I'm just crazy but
Just maybe I'm in love
Baby I'm in love
Baby I'm love
Maybe I'm just crazy
But just maybe I'm in love

Oh what a day
When love came to town
Love what can I say
I fell facedown
Oh what a day
When love came to town
Love what can I day
I fell facedown
