If I were you I think I'd shut my mouth
'Cause with a tongue like that I think I'd cut it out
I'll make you shiver when I turn rocks into rivers like
Moses
If we lose our way, I'll pray that God just shows us

And the last time we spoke
You seemed much older, colder
And the last time we made eyes
You said it was over, thank God, it's over

If I were you I think I'd watch my mouth
'Cause with a bite like that I think I'd shut you out
I'll make you shiver when I turn rocks into rivers like
Moses
And if we lose our way I'll pray that God just shows us

And the last time we spoke
You seemed much older, colder
And the last time we made eyes
You said it was over, thank God, it's over

Oh, how much time we waste
Wearing our bullet proof vests
When our feet are made of God
To speed through life and death

Oh, how much time we waste
Wearing our bullet proof vests
When our feet are made of God
To speed through life and death

So run, sister run
Zigzag to avoid the gun
We'll live in a cave
Where I know we'll be safe

So run, sister run
Zigzag to avoid the gun
We'll live in a cave
Where I know we'll be safe
