Sometimes it's alright to just be alone
Sometimes it's alright to just stay at home
Sometimes it's ok if we lose our minds
Sometimes it's the only way out of a fight

So maybe we'll fall before we take flight
Maybe you're all I've got to lose
And they say it's gray, but we see it white
And if I'm lost, thank God I'm lost with you

And sometimes there's only so much we can take
And by the time you arrived, we needed a break
Sometimes it's ok if we lose our minds
Sometimes it's the only way out of a fight

So maybe we'll fall before we take flight
Maybe you're all I've got to lose
And they say it's gray, but we see it white
And if I'm lost, thank God I'm lost with you

It's ok to fight back, it's alright if you lose
It's ok to give up, we'll still love you if you do

So maybe we'll fall before we take flight
Maybe you're all I've got to lose
And they say it's gray, but we see it white
And if I'm lost, thank God I'm lost with you

It's ok if you fight back, it's alright if you lose
It's ok to give up, we'll still love you if you do
