Caught you stealing the show again
You're so easy to offend
Every gesture I try and make
Hard to see now, with lazy eyes
Your broken blizzard blind, well you're quite a find
It's a joke
But we're afloat
But that's ok
We were lost for a while
Well we're found safe
Such a dream, you and me,
Or so they say
I won't mind if they try once again
Out the back now no sound at all
We're barefoot as we crawl
The conversation, it helps me sleep
Hard to see now, with lazy eyes
Your broken blizzard blind, well you're quite a find
It's a joke
But we're afloat
But that's ok
We were lost for a while
Well we're found safe
Such a dream, you and me
Or so they say
I won't mind if they try once again
Nothing is solid, everything's broken
I saw your new girlfriend, she's beautifully spoken
I saw your new lover, out for a ride
I saw your new lover, she's equally sized
She's equally sized
She's equally sized
It's a joke
But we're afloat
But that's ok
We were lost for a while
Well we're found safe
Such a dream you and me
Or so they say
I won't mind if they try once again
Nothing is solid, everything's broken

I saw your new girlfriend, she's beautifully spoken
I saw your new lover, she was out for a ride
I saw your new lover, she was equally sized
