Ooooh

(What they do! )  
(They smile in your face)

All the time they want to take your place  
The back stabbers (back stabbers)  
(They smile in your face)  
All the time they want to take your place  
The back stabbers (back stabbers)  
All you fellows who have someone and you really care,  
yeah, yeah  
Then it's all of you fellows who better beware, yeah  
yeah

Somebody's out to get your lady  
A few of your buddies they sure look shady  
Blades are long, clenched tight in their fist  
Aimin' straight at your back  
And I don't think they'll miss  
(What they do! )  
(They smile in your face)

All the time they want to take your place  
The back stabbers (back stabbers)  
I keep gettin' all these visits from my friends,  
Yeah, what they doin to me  
They come to my house again and again and again  
and again, yeah

So are they there to see my woman  
I don't even be home but they just keep on comin'  
What can I do to get on the right track  
I wish they'd take some of these knives off my back  
(They smile in your face)

All the time they want to take your place  
The back stabbers (back stabbers)  
Low down... dirty...

(What they do! )  
(They smile in your face)  
Smiling faces... smiling faces sometimes tell lies (Back  
stabbers)  
(They smile in your face)  
I don't need... low down, dirty bastards (Back stabbers)
