Bring it on
...it on it on it on it on it on it on...

...Bring it on bring it on bring it on bring it on...

First I didn't have the will to carry on
...carry on...

Illusions in my mind
...illusions in my mind...

Like that picture when you feel you can't go on
...go on...

Like you've been left behind
...behind...

Life goes on, now
Take me to that funky place where you and I were born.
(L)

Carry on, now
...now...

Psychedlic tendencies of love will bring it on (L)
...bring it on...
Bring it on
Bring it on, Bring it on
Don't wait until tomorrow
Bring it on
Bring it on
Bring it on

Give me something for the dream that I am in
...in...
You know I love the way you save me (L)
A broken pawn,
I depended on.
Was only life, I was feeling (L)

It goes on, now
Take me to that funky place where you and I were born

(L)
Carry on, now (L)
Ain't no reason you should feel for shorn,
Unconditioned love will bring it on.....

Bring it on
Bring it on
Don't wait until tomorrow
Wait until tomorrow
Bring it on

Bring it on, bring it on bring it on (Wendy&Lisa;)

Bring it on, bring it on bring it on (Wendy&Lisa;)
...Bring it on..... (Seal)

Bring it on, bring it on bring it on (Wendy&Lisa;)
Bring it on, bring it on bring it on (Wendy&Lisa;)
Bring it on, bring it on bring it on (Wendy&Lisa;)

Bring it on, bring it on bring it on (Wendy&Lisa;)
...Bring it on..... (Seal)

Bring it on, bring it on bring it on (Wendy&Lisa;)
Bring it on, bring it on bring it on (Wendy&Lisa;)
Bring it on, bring it on bring it on (Wendy&Lisa;)

Unconditioned love will bring it on

La da..da de da... (Wendy&Lisa;)

So what lies under.
Is your Kingdom Come?
Chase it way,
Down low.
It's only life.

Don't wait until tomorrow.
Don't wait until tomorrow.
Don't wait until tomorrow.
Don't wait until,
Wait until tomorrow.

Bring it on, bring it on bring it on
Bring it on
