Silence in your voice, screaming
I've no choice cause I'm angry
Angry and lonely

Silence while you steal
Feeding from the will of my babies
My one and only's

So, wish I could make you see
The harm in what you did
But I never hear you scream

Dumb-da-dumb-dumb-dumb
Dumb-da-dumb-dumb-dumb

Silence while you win
Gleaming like a toe, dying ugly
Rocks in you belly

There's silence every day
'Cause I know that there's no way I can save you
'Cause you won your own blue but true remain

So, wish I could make you see
The harm in what you did
But I never hear you scream

Whoa, the lonely, I sing this for you only
Whoa, the lonely, a friend that I once knew
Whoa, the lonely, if you and me if only
For a friend I once knew, a friend I once knew
