Maybe if I search my mind a little,
I'd come across the reason why you're gone.
Maybe if I searched a little while.

And if I try to reconcile a little,
Then maybe I will know for how long.
This time...

Well here we are,
...ohh.....ohh..

In separate rooms.
..ohh....ohh.....

I can hear you sighing.
..ohh.....ohh.....ohh..

Saying "No way out" or so it seems.
.....ohh.....ohh....ohh.....

Dry our tears, we're flying straight on through that
window-oh.
..ohh.....ohh.....ohh.....

Fast changes arriving.
Slow changes moving out.
Here we are.
Now maybe if I took the time a little,
Then maybe I would know for how long.
This time.

Well here we are,
Ohh.....ohh..

In separate rooms.
..ohh....ohh.....
I can hear you sighing.
.ohh.....ohh.....ohh..

Saying "No way out" or so it seems.
.....ohh.....ohh....ohh.....

Dry our tears, we're flying straight on through that

window-oh.
..ohh.....ohh.....ohh.....fast changes...
Fast changes arriving.
They come around... ..slow changes...

Slow changes moving out
...are moving out...

Here we are...

Fast changes they come around slow changes...
...Fast changes arriving.

Are moving out...
And slow changes are moving out

Here we are.

Here we are.
A Change.....

Ohh

Here we are in separate rooms
Ohh.....ohh...ohh....ohh.....

I can hear you crying. Saying "No way out" or so it
seems
..ohh.....ohh.....ohh.....ohh.....ohh....ohh.....

Dry our tears, we're flying straight on through that
window-oh.
..ohh.....ohh.....ohh.....fast changes...

They come around... ..slow changes...are moving out...
Fast changes arriving and slow changes are moving
out

Fast changes arriving.
They come around... ..slow changes...

And slow changes are moving out
...are moving out.

Here we are.

...fast changes arriving.
Fast changes they come around, slow changes...

Are moving out...
Slow changes are moving out.

Here we are.

Fast changes. They come around slow changes.... ...are
moving out...

Fast changes Fast changes.....have come around

Here we are

.....Fast changes...

Here we are.

Here we are.

Here we are.

Here we are.

Ohh.....
