Northern Sun...

We're walking down  
That same avenue...

Throw me a lifeline won't you please  
I'm watching the news but I'm not at ease  
Throw me a lifeline won't you please

Come to the place where I used to play  
& put on your peace wise authority  
Look at the radios in the sun  
Can you really pass you by?

Heavenly  
Can't you see  
Feels like yesterday's here now  
Heavenly  
Trust in me  
Feels like yesterday now

I look at the world & it's heavenly  
I see a miracle place to be  
Why is it anyone has to die  
Did they ever ask you why?

When will you talk about being free  
Our pain isn't all that it's meant to be  
Hanging another one out to dry  
Is there any reason why?

[chorus]

Morning feeling  
Feel like waking up again  
Feeling.. falling... morning... feel... like  
Falling

Northern sun...

We're walking down  
Lets sing of the new...

I look at the world and it's heavenly  
All of the things that it's meant to be  
Some of us suffering or divine  
Hear the mother nature cry

Love whoever you want  
I'm a survivor  
Love a little  
I like staying alive cause I must see  
Why don't you show me a little more  
Hearing your mother call  
Anyone can feel

Heavenly  
Can't you see  
Cause it feels like yesterday's here now  
Heavenly  
Trust in me  
Feels like yesterday now

Heavenly
