It is only love I feel  
That will give us peace of heart

In my hour of desperate need

I.....  
Feel closer to the One

Oh.....  
But why...

Please  
Human being  
If you bleed  
They will say it was destined

They'll be punchin' tickets  
For the minute if you fall out of line

Desperate  
Desperate  
Tell me is it death you feel

That will bring you peace of life.

Who wants

Tell me you're one

Tell me you're one of us

Tell me you're one

Tell me you're one of us  
When you lose your self esteem  
That's when love dies...

Ohhh...

Please....

Human being

If you bleed

They will say that it's destined

They'll be punchin' tickets  
For the minute if you fall out of line

We're mere human beings we die

So...  
So...desperate desperate... yeah...  
Well I feel...  
When you've reached number one  
You look like you're puffing but  
Really only blocking the sun...

Blocking the sun  
Blocking the sun.....  
Blocking the sun  
Blocking the sun.....

We're mere human beings  
We die...

It's destined.....  
They'll be punchin' tickets  
For the minute you fall out of life

We're mere human beings we die

We're mere human beings we die

Desperate  
It's destined

We're mere human beings we die...

Desperate

It's destined  
Destined  
We're mere human beings we die...
