It is only love I feel
That will give us peace of heart

In my hour of desperate need
I feel closer to the one

Oh, but why?

Please human being
If you bleed they will say it was destined
They'll be punchin' tickets
For the minute if you fall out of line
Desperate, desperate

Tell me is it death you feel
That will bring you peace of life?

Who wants
Tell me you're one of us
Tell me you're one
Tell me you're one of us
Tell me you're one

When you lose your self esteem
That's when love dies

Oh, please human being
If you bleed they will say that it's destined
They'll be punchin' tickets
For the minute if you fall out of line
We're mere human beings, we die
So, so desperate desperate

Well I feel
When you've reached number one
You look like you're puffing but
Really only blocking the sun
Blocking the sun
Blocking the sun
Blocking the sun

We're mere human beings, we die

It's destined
They'll be punchin' tickets
For the minute you fall out of life

We're mere human beings, we die
We're mere human beings, we die
Desperate
It's destined

We're mere human beings, we die
Desperate
It's destined, destined
