I wish I could touch you, I wish I could see you.
I wish you could talk to me, cause now I wanna listen.

I wish upon a star, wish upon the night.
I wish that everything that happens in the dark, comes
to the light.
I wish upon the days, wish upon the dream.
I wish that everybody only said, what they mean.
I wish I could have caught you, before you fell.
I wish nobody had to go to hell.
I wish Adam wouldn't have listened to Eve, when he bit
the apple.
I wish the Ku Klux Klan didn't own Snapple.
I wish that nobody had to ever know the pain,
that comes with the mental rain.
I wish that no parent ever have to bury a child.
I wish you wouldn't hurry to get wild.
I wish for so many things, in so little time.
I wish all this wishes weren't mine.
But all I can do, is wish and hope it comes true.
Pray to God and hope it comes true!
Have Faith!

I wish I could touch you, I wish I could see you.
I wish you could talk to me, cause now I wanna listen.
I wish I could be real, I wish I could make it up to you.
I wish you could talk to me, cause now I wanna listen.

(I feel you X. Let me tell you what I wish for.)
I'm wishin' there was no hunger or starvation.

That God'll take back the nation from Lord's sayin'.
I wish I never popped pills,
that I robbed from my grandpap, dyin' in a hospital.
I wish I didn't
I wish I could physically touch or see Jesus in the
flesh leavin' nothin' left in the
I'm wishin' we were focused on the hopeless,
broke n', strugglin' mothers who are dope sick.
I'm wishin' New Orleans hadn't looked like an
overflooded

pool, with no chlorine.
I'm wishin' Bill Clinton would return and I don't care,
let him get his nuts sucked through the whole turn.
I wish I wasn't so selfish,
I wish ain't chase this cake, like I don't know what
wealth is.

I wish I could touch you, I wish I could see you.
I wish you could talk to me, cause now I wanna listen.
I wish I could be real, I wish I could meet you.
I wish you could talk to me, cause now I wanna listen.

And the hours, and the minutes, and the seconds
Are just as important, take, nothin' for granted
And try to hold on, to LOVE, cause now I,

I wish I could touch you, I wish I could see you.
I wish you could talk to me, cause now I wanna listen.
I wish I could be real, I wish I could meet you.
I wish you could talk to me, cause now I wanna listen.

I wish I could touch you, I wish I could see you.
I wish you could talk to me, cause now I wanna listen.
I wish I could be real, I wish I could meet you.
I wish you could talk to me, cause now I wanna listen.
Listen, listen, listen, listen.
