Say it's alright, say it's alright
It's alright, have a good time
'Cause it's alright, whoa, it's alright

We're gonna move it slow when the lights are low
When you move it slow, it sounds like more
And it's alright, whoa, it's alright

Now listen to the beat kinda pat your feet
You got soul, everybody knows
That it's alright, whoa, it's alright

When you wake up early in the mornin'
Feelin' sad like so many of us do
Hum a little soul, make life your goal
Surely somethin's gonna come to you

And say it's alright, it's alright
Say it's alright, it's alright
It's alright, have a good time
'Cause it's alright, whoa, it's alright

Everybody clap your hands
Give yourself a chance
You got soul, everybody knows
That it's alright, whoa, it's alright

Someday I'll find me a woman
Who will love me and treat me real nice
Then my woe's gotta go and my love she will know
From morning, noon and night
And she's gotta sing that song right

It's alright, say that it's alright, it's alright
It's alright, have a good time, alright
Whoa, it's alright

It's alright, have a good time
It's alright, everybody knows
And it's alright 'cause you've got soul

And it's alright, yeah baby it's alright

It's alright, can you hear me singin' it's alright?
It's alright, it's alright

It's alright, it's alright
Can you hear me singin' it's alright?
It's alright, it's alright
It's alright, it's alright
