My emotions
Drift away
I think about it
But it's alright
It's alright
It's alright
It's alright

It's alright now

My emotions
Drift away
I think about it
Every single day

Do I regret it
Well I say
That it's alright
It's alright
It's alright
It's alright
Out in space

There's a feeling that runs through your viens

One that has no time, no space
Taking you high
So that you can't deny it
That's when you're in love

(Taking you high
So that you can't deny it
That's when youre in love)

(Taking you high
So that you can't deny it
That's when you're in love)
That's when you're in love

(Taking you high
So that you can't deny it
That's when you're in love)

(Taking you high
So that you can't deny it
That's when you're in love)

(Taking you high
So that you can't deny it
That's when you're in love)

That's when you're in love
