She floats like a swan
Grace on the water
Lips like sugar
Lips like sugar
Just when you think you've caught her
She glides across the water
She calls for you tonight
To share this moonlight

You'll flow her river
She'll ask & you'll give her...
Lips like sugar
Sugar kisses
Lips like sugar
Sugar kisses

She knows what you know
I know what she's thinking
Sugar kisses, sugar kisses
Just when you think she's yours
She's flown to other shores
To laugh at how you break
And melt into this lake

You'll flow down her river
But you'll never give her...
Lips like sugar
Sugar kisses
Lips like sugar
Sugar kisses

She'll be my mirror
Reflect what I am
Loose women
The king of Siam
And my siamese twin
Alone in the river
Mirror kisses, mirror kisses...

Lips like sugar
Sugar kisses
Lips like sugar

Sugar kisses...
