There the rainstorm came over me
And I felt my spirit break
I had lost all of my belief you see
And realized my mistake
But time threw a prayer to me
And all around me became still

I need love, love's divine
Please forgive me now
I see that I've been blind
Give me love, love is what I need
To help me know my name

I need love, love's divine
Please forgive me now
I see that I've been blind
Give me love, love is what I need
To help me know my name

Through the rainstorm came sanctuary
And I felt my spirit fly
I had found all my reality
I realize what it takes

'Cause I need love, love's divine
Please forgive me now

I see that I've been blind
Give me love, love is what I need
To help me know my name

'Cause I need love, love's divine
Please forgive me now
I see that I've been blind
Give me love, love is what I need
To help me know my name

Then the rainstorm came over me
And I felt my spirit fly
I had found all my reality
I realize what it takes
Love

'Cause I need love, love's divine
Please forgive me now
I see that I've been blind
Give me love, love is what I need
To help me know my name

'Cause I need love, love's divine
Please forgive me now
I see that I've been blind
Give me love, love is what I need
To help me know my name

'Cause love will help me know my name
