"No Easy Way"

Close your heart
Close your eyes
Fake a kiss
And say goodbye

When you know it's not the way
And you're leavin' home today

Anger rises
A deed is done
Just to say
You can't go on

When you know that's not the way
Yet you're leavin' home today

If I see a tear in your eye
It's an easy way
To say goodbye

You're afraid
So you lie
Sometimes this
Will get you by

But you know that's not the way
(You know that's not the way)
And I trust you anyway
(Trust you anyway)

Harmony
But not for long
Plain to see
We're doing something wrong

Even though you gone away
(Even though you gone away)
I still love you

But if I see a tear in your eye
It's an easy way
To say goodbye, ohh ohh

To say goodbye, ohh woh, goodbye
To say goodbye

Sent you Rilke
By hand
Hopin' you would
Understand

Don't you know that's not my way
(Don't you know that's not my way)
I was missing you today
(I was missing you today)
Ooh ooh

Anger rises
Deed is done
Just to say that
You can't go on

When you know that's not my way
(You know that's not my way)
'Cause I still love you
(Cause I still love you)

After all we've said and done
(Said and done)
Can't you see we can't go on
'Cause God knows there's no easy way

To say goodbye
